# 1. Policy statement

GROW Education Partners Ltd (GROW) recognises that discrimination and victimisation is unacceptable and that it is in the interests of GROW and its employees to utilise the skills of the total workforce. It is the aim of GROW to ensure that no employee, consultant, or job applicant receives less favourable facilities or treatment (either directly or indirectly) in recruitment or employment on grounds of age, disability, gender / gender reassignment, marriage / civil partnership, pregnancy / maternity, race, religion or belief, sex, or sexual orientation (the protected characteristics).

Our aim is that our workforce will be truly representative of all sections of society and each employee feels respected and able to give of their best.

We oppose all forms of unlawful and unfair discrimination or victimisation. To that end the purpose of this policy is to provide equality and fairness for all in our employment.

All employees, whether part-time, full-time or temporary, will be treated fairly and with respect. Selection for employment, promotion, training or any other benefit will be on the basis of aptitude and ability. All employees will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the organisation.

Our staff will not discriminate directly or indirectly, or harass customers or clients because of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation in the provision of GROW's goods and services.

This policy and the associated arrangements shall operate in accordance with statutory requirements. In addition, full account will be taken of any guidance or Codes of Practice issued by the Equality and Human Rights Commission, any Government Departments, and any other statutory bodies.

## 1.1: Our commitment

- To create an environment in which individual differences and the contributions of all our staff are recognised and valued.
- Every employee is entitled to a working environment that promotes dignity and respect to all. No form of intimidation, bullying or harassment will be tolerated.
- Training, development and progression opportunities are available to all staff.
- To promote equality in the workplace which we believe is good management practice and makes sound business sense.
- We will review all our employment practices and procedures to ensure fairness.
- Breaches of our equality policy will be regarded as misconduct and could lead to disciplinary proceedings.
- This policy is fully supported by senior management and has been agreed with trade unions and/or employee representatives.

- The policy will be monitored and reviewed annually.

## 1.2: Responsibilities of management

Responsibility for ensuring the effective implementation and operation of the arrangements will rest with the Chief Executive. The Chief Executive will ensure that all staff operate within this policy and arrangements, and that all reasonable and practical steps are taken to avoid discrimination. Each manager will ensure that:

- all their staff are aware of the policy and the arrangements, and the reasons for the policy;
- grievances concerning discrimination are dealt with properly, fairly and as quickly as possible;
- proper records are maintained.

The Chief Executive and HR will be responsible for monitoring the operation of the policy in respect of employees and job applicants, including periodic audits.

## 1.3: Responsibilities of staff

Responsibility for ensuring that there is no unlawful discrimination rests with all staff and the attitudes of staff are crucial to the successful operation of fair employment practices. In particular, all members of staff should:

- comply with the policy and arrangements;
- not discriminate in their day to day activities or induce others to do so;
- not victimise, harass or intimidate other staff or groups who have, or are perceived to have one of the protected characteristics.
- ensure no individual is discriminated against or harassed because of their association with another individual who has a protected characteristic.
- inform their manager if they become aware of any discriminatory practice.

## 1.4: Third parties

Third-party harassment occurs where a GROW employee is harassed, and the harassment is related to a protected characteristic, by third parties such as clients or customers. GROW will not tolerate such actions against its staff, and the employee concerned should inform the Chief Executive at once that this has occurred. GROW will fully investigate and take all reasonable steps to ensure such harassment does not happen again.

## 1.5: Related policies and arrangements

All employment policies and arrangements have a bearing on equality of opportunity. GROW policies will be reviewed regularly and any discriminatory elements removed.

## 1.6: Rights of disabled people

GROW attaches particular importance to the needs of disabled people. Under the terms of this policy, managers are required to:

- make reasonable adjustment to maintain the services of an employee who becomes disabled, for example, training, provision of special equipment, reduced working hours. (NB: managers are expected to seek advice on the availability of advice and guidance from external agencies to maintain disabled people in employment);
- include disabled people in training/development programmes;
- give full and proper consideration to disabled people who apply for jobs, having regard to making reasonable adjustments for their particular aptitudes and abilities to allow them to be able to do the job.

## 1.7: Equality training

GROW are working towards establishing systems for training and monitoring equality across the workforce. Equality information is included in induction programmes.

## 1.8: Monitoring

- GROW deems it appropriate to state its intention not to discriminate and assumes that this will be translated into practice consistently across the organisation as a whole. Accordingly, a monitoring system will be introduced to measure the effectiveness of the policy and arrangements.
- The system will involve the routine collection and analysis of information on employees by gender, marital status, ethnic origin, sexual orientation, religion / beliefs, grade and length of service in current grade. Information regarding the number of staff who declare themselves as disabled will also be maintained.
- There will also be regular assessments to measure the extent to which recruitment to first appointment, internal promotion and access to training/development opportunities affect equal opportunities for all groups.
- We will maintain information on staff who have been involved in certain key policies: Disciplinary, Grievance and Bullying & Harassment.
- Where appropriate equality impact assessments will be carried out on the results of monitoring to ascertain the effect of GROW policies and our services / products may have on those who experience them.
- The information collected for monitoring purposes will be treated as confidential and it will not be used for any other purpose.

If monitoring shows that GROW, or areas within it, are not representative, or that sections of our workforce are not progressing properly within GROW, then an action plan will be developed to address these issues. This will include a review of recruitment and selection procedures, GROW policies and practices as well as consideration of taking legal Positive Action.

## 1.9: Grievances/discipline

- Employees have a right to pursue a complaint concerning discrimination or victimisation via the LDBS Grievance Procedure.
- Discrimination and victimisation will be treated as disciplinary offences and they will be dealt with under The LDBS Disciplinary Procedure.

## 1.10: Review

The effectiveness of this policy and associated arrangements will be reviewed annually under the direct supervision of the Chief Executive.
