

School Support Services & Training Courses

2020 - 2021

“

Robust, challenging and effective. Grow school improvement visits have been beneficial to my development as a leader, and have provided a positive learning experience.

Welcome to Grow Education Partners

Dear Colleagues,

This 2020 - 2021 booklet provides you with an overview of the ways in which we work closely with school leaders to 'cultivate success' in schools.

This last year has demonstrated how rapidly the educational landscape can change. As school leaders, you have dealt with the unprecedented changes with the utmost professionalism and have demonstrated real creativity and positivity in supporting your school communities.

It has been a privilege to work with you all.

We are fully aware that you may wish to increase your already strong focus on staff and pupil well-being this year and we will endeavour to meet your needs by providing a range of options to assist you in delivering the best for your school community.

We will also continue to support you with our:

- School Improvement support packages and add-ons
- HR and Data Protection packages
- High quality in-house, in-school and online professional development

Established in 2011, Grow is a team of outstanding practitioners, headteachers and consultants with a range of expertise and experiences. To ensure high quality foundations, we have evolved slowly, but now collaborate with over 250 schools of all types. We are proud to work in schools across 18 local authorities to help school leaders to deliver the best quality education for all pupils.

As a subsidiary company of the London Diocesan Board for Schools (LDBS) we also continue to offer specific courses related to CE schools. These are listed in a separate section of this booklet.

We look forward to working in partnership with you and playing our part in cultivating success in your school to help you deliver the high-quality education all children deserve.

Helen Ridding / Managing Director, Grow Education Partners

Prices and discounts

All prices on our website and in this booklet are quoted exclusive of VAT. There is a 20% discount for every additional place booked on the same course or programme.

Cancellation policy

We charge 20% of course fees for any cancellations made within the 2 week period before the start of a course. If you cancel after, or on the actual day of the course starting, we will invoice for the full fee. We will refund any course fees if we have to cancel.

Covid-19

We will continue to build on our offer to best support you, remotely or in person, throughout this period. Due to the ongoing uncertainty however, we may make adjustments to some elements.

Unless stated as being a **LIVE ONLINE COURSE**, training courses listed in this booklet are scheduled to take place at our venue 36 Causton St, London SW1P 4AU. However, we are prepared to continue to provide online training and to move the longer courses to later on in the academic year, if necessary.

Prices may be reduced to account for any change in delivery.

For our full terms & conditions, venue information, current prices and discounts, please visit our website.

The Grow Leadership Partners reinforced my leadership aims and delivered honest and knowledgeable feedback, which was grounded in a wealth of experience of schools and inspections. The impact of their insightful observations in my school has been a swift change in teaching and learning strategies. These changes over time will enable our children to thrive academically and improve their outcomes.

Grow are the people I always turn to when I need an external overview, whether it is for safeguarding, SEF and SIP scrutiny, teaching reviews or training. They listen and, where possible, make suggestions which will save us money too!

School Improvement Packages

We are passionate about helping schools to be the best that they can be, by helping to identify strengths and areas for improvements and ensuring that the right strategies are in place.

About our school support options

Providing the highest level of expertise, advice and guidance, our **Oak**, **Beech** and **Cedar** school support packages can be flexibly tailored to suit your school's context or individual development needs.

All our packages provide you with options for any of the aspects listed below:

- Tailored support at your school with a Leadership Partner
- Support in preparation for inspections
- Headteacher Performance Management - see our support add-on options
- External reviews on the quality of teaching, learning, leadership or governance - see our support add-on options
- Subject reviews and audits e.g. phonics and early reading, maths
- School self-evaluation and improvement planning
- Safeguarding reviews
- Work scrutiny and moderation
- Coaching and mentoring of staff
- Supporting class teachers in identified improvement aspects e.g. EYFS

Whether you choose 3, 6 or 12 days of annual school support, you can also opt to add any of our support add-ons to give you full flexibility in facing the challenges of an ever-changing educational landscape.

“*The Grow Leadership Partner and consultants are committed to enabling school leaders to improve outcomes for children. They recognise and acknowledge the hard work and determination of school staff and provide challenge as critical friends who offer new suggestions.*”

Details

Package	Cost
Oak 3 days	£1950
Beech 6 days	£3600
Cedar 12 days	£6550

Our Beech and Cedar packages provide options for more focused support on specific aspects.

If your school needs significant additional capacity and support to realise improvements e.g. as a result of changes in leadership or high staff turnover, then our Cedar package will be the best option.

School Improvement Add-ons / 1

Our support add-ons cost £680 per day with a school improvement support package, or £790 without. They can be included as part of your existing support package if time allows, or purchased separately.

Support add-on: External focus review

We continue to offer a range of external, highly regarded, focus reviews, which provide leaders with an external overview of chosen aspects.

Our reviews are bespoke to meet the needs of your school. By talking to you about your needs, we ensure that the focus aspect is always of the highest quality. This is why our feedback from schools is always very positive.

Most reviews will include:

- A pre-visit discussion with the headteacher so that the focus is fully understood
- An audit of any shared information prior to the school visit
- Time in school working with senior and/or subject leaders
- Verbal feedback on main points - strengths and recommendations going forwards
- A written report, which has been quality assured, outlining the above in more detail

How long does it take?

This is flexible, although as a rough guide (1 form entry school) it will include:

- One ½ day preparation
- One day in school
- One ½ day report writing

“*The review was immensely useful and the consultants' skills were very well matched to our needs. Thank you for finding such experts for us.*”

Details

Our reviews are conducted by highly experienced consultants. Mini CVs are available on request.

Reviews are likely to take longer if your school is larger. In some situations we may be able to offer 1 day reviews.

Please contact us to discuss your needs.

School Improvement Add-ons / 2

Support add-on: Headteacher appraisal / 1 day

We can provide schools with an experienced Grow Education performance manager.

They will provide support and guidance throughout the Headteacher Performance Management process and ensure that it is carried out in line with current regulations and supports the development of clear, well-defined objectives and criteria.

“ *It is great to be able to use one of our Grow School Improvement days for Headteacher Performance Management. The consultant went out of his way to help us within a short timescale. He took time to listen to us all and his experience was invaluable in agreeing the objectives.* ”

Support add-on: Governance

Whatever your school's context, our Governance review and support options can help governing boards identify existing strengths and future areas for improvement.

We can help governors to:

- become more skilled and effective in understanding and carrying out their statutory duties
- understand the appropriate balance of challenge and support while holding leaders to account
- ensure the right range of skills and experience are in place
- have greater clarity and confidence in supporting the shared vision for the school

“ *Having engaged in other providers to conduct GB reviews and training sessions, I keep coming back to Grow. Their knowledge is always up-to-date, the advice dependable and the style of delivery engaging and above all, inspiring. It's good to have that support and validation.* ”

Details

Our performance managers are accomplished education professionals or former headteachers with extensive experience of working with governing boards and headteachers.

“

Your leadership courses are very informative, thought-provoking and encouraging. Makes you think especially about what works well and where improvements can be made. It's really good to have so much time to discuss topics and ideas with other leaders.

Professional Development

We understand the importance of ongoing professional development for school leaders and staff. Our courses support all levels of experience across a range of aspects so that your whole team can provide the best for your pupils.

Our professional development training courses are split into three categories:

Leadership Programmes

Our popular leadership programmes range from 3 to 6 days and are designed to cater for teachers at all stages of their career.

It is a testament to their success that a high proportion of school leaders return to complete the 'next stage' programme. With high numbers of applicants, please book early to avoid disappointment.

NQT programme

We appreciate how vital it is for NQTs to feel supported in their first years as teachers. To support your NQTs we provide a tailored programme of 17 training courses spread evenly across the academic year. We also offer the option to attend individual sessions.

Short courses

Our short courses (½ day to 2 days) include a range of topical aspects to support you in delivering high quality education in your school.

Aspects include subject leadership, curriculum, SEND, safeguarding, specific focus for CE schools, well-being, HR and Data Protection.

“*Having attended the Senior Leadership and Challenge of Headship programmes myself, I know when I send staff on courses, or when I arrange a Grow INSET, that they are going to receive quality CPD. I know this will impact positively on their own practice, the practice of others and ultimately benefit the children in my school.*”

Details

Our programmes are led by highly regarded specialist consultants, outstanding practitioners and headteachers.

They bring together their skills, knowledge and practical experience to help teachers to flourish.

Mini CVs are available on request.

If you are interested in booking a training course in school or to a local cluster of schools and multi-academy trusts, we will arrange this for you where possible.

Please contact us to discuss your needs.

Curriculum Subject Leadership / 1

Our well-received curriculum subject leadership courses are designed to support teachers in understanding their subject and wider leadership roles. This year we have new courses focussing on the curriculum, phonics and reading and the humanities.

NEW

Curriculum champions / 1 day

This course, for primary school subject and/or middle leaders, introduces a range of effective strategies, approaches and knowledge to help them excel in the role and empower them to:

- Understand their responsibilities and accountabilities
- Consider the inspection framework and how this impacts on the school's curriculum
- Use an audit tool to evaluate the Intent, Implementation and Impact
- Investigate effective monitoring approaches e.g. planning scrutiny, work sampling, pupil interviews and lesson observations
- Carry out a skills audit and needs analysis
- Create an effective action plan that will drive progress
- Practise presenting to a range of stakeholders

NEW

Leading phonics and early reading / ½ day

Designed to enable headteachers and leaders to effectively monitor the quality of phonics and early reading provision in school.

You will revise and enhance the application of phonics in reading and writing by:

- Evaluating the quality of teaching in phonics and early reading
- Using data to identify key trends in communication and language, phonics and reading links across the EYFS, KS1 and KS2
- Using resources effectively to support high quality teaching, including the use of decodable texts

Resources will be available to purchase at an extra cost at the end of the session.

Curriculum Subject Leadership / 2

NEW

Geography subject leader toolkit / 1 day

History subject leader toolkit / 1 day

The new Ofsted Framework focuses on ensuring that learners receive a high-quality education, through the school's rich curriculum offer. These **separate 1 day courses** are aimed at empowering Geography and History subject leaders to:

- Understand the implications of the framework on the leadership role
- Explore how Intent, Implementation and Impact relate to each other within the context of a school's curriculum
- Consider the key elements of a 'deep dive' in the subjects
- Evaluate practical ways to drive forward improvements

Leaders will also have the opportunity to consider:

- What knowledge and understanding pupils are expected to gain at each stage of their schooling and in each subject
- How the whole-school curriculum hangs together
- How the school's context informs the curriculum
- How pupils know more and remember more of the planned curriculum and how this compares to expectations

Understanding the role of the science leader / 1 day

For newly appointed science leaders. Participants will develop the skills to lead science effectively, share experiences with other science leaders and discuss current practice in their school.

We will look at books and planning audits so that participants can develop an effective science action plan to support them in their role and leave feeling confident in identifying good practice and in knowing how to support teachers in their schools.

Course objectives:

- Understanding the role of the science leader
- Raising leaders' awareness of current thinking on what makes quality science teaching and learning

Leading RE in primary schools for recently appointed RE leaders / 1 day

Providing guidance and support to teachers in their new role as RE leader. The course will include ready-to-use ideas to engage staff and pupils.

It will give participants the knowledge and confidence they need to be an effective leader of RE.

The day will cover:

- Roles and responsibilities of leading RE in a Church school
- Promoting and keeping a high profile of the subject within the school
- The law and the national picture for RE
- Understanding the LDBS agreed syllabus

“ Really good selection of courses - especially being new to the role. Good to network and share ideas. I went away feeling encouraged and equipped to carry out my role. Lots to think about, but also lots of great ideas shared.

“ Excellent resources and useful ideas to implement in the classroom for all ability ranges. This was a very useful afternoon, with lots of practical ideas that I can implement straight away. Thank you - also a great mix of talk, discuss and do.

“ It is so brilliant to have the time to think so deeply about education with such a strong group of professionals. To be able to focus and enjoy an in-depth discussion with peers, it really refreshes and inspires me to continue developing my teaching skills.

Strategic Improvement

Back by popular request, these courses provide leaders the time to focus on driving whole-school strategic improvement.

Getting to grips with the Education Inspection Framework / 2 days

The Education Inspection Framework came into effect in September 2019. The focus of this framework ensures that learners receive a high-quality education, through the school's rich curriculum offer.

This course will enable school leaders to spend time exploring and understanding the implications of the new four key judgements:

- Quality of Education
- Behaviour and Attitudes
- Personal Development
- Leadership and Management

During the course, leaders will deep dive into the key judgements. They will also explore the 'big questions' relating to inspection's definition of curriculum and will learn how to effectively plan for and manage an inspection within their setting.

“*Incredibly helpful. This was one of the best courses I have been on in a long time. The trainer is very knowledgeable, clear and direct.*”

Practical tips on how to write an effective SEF / 1 day

Designed to equip leaders with the knowledge, skills and understanding required to write an evaluative and effective SEF. Leaders will develop a better understanding of how an effective SEF can provide a meaningful picture of the school by celebrating strengths and identifying key priorities for improvement.

Leaders will be provided with practical tips and hints on how to succinctly evidence their school's current evaluation and will increase their knowledge, skills and understanding of how to document this effectively.

Science & Mathematics

Effective science assessment / 1 day

This course is suitable for teachers and subject leaders, to support schools in developing effective assessment procedures.

Participants will explore possible models for assessing science knowledge and skills and focus on formative assessment for learning and making robust summative judgements.

It will cover:

- Developing assessment for learning strategies
- Expectations for science assessment
- Different models used to assess science

Working scientifically / 1 day

In this highly practical course we will look at the types of science enquiry that should be incorporated into the primary curriculum.

We will consider the individual scientific skills that are required for independence and progression. Participants will also become more familiar with the age-related expectations.

NEW How to really teach multiplication tables / 2 sessions

These sessions will support maths subject leaders and class teachers, especially those in Year 4, in developing the approach to teaching multiplication tables across the school, including preparation for the multiplication tables check in Year 4.

They will cover:

- A whole school approach to teaching and learning of times tables
- Securing conceptual knowledge and quick recall of multiplication tables
- Requirements of the multiplication tables check in Year 4
- Impact of games and ICT to support the learning of multiplication tables

Phonics

We are delighted to provide this course after the popularity of the 2019 early reading and phonics audits.

NEW

Effective phonics teaching with Letters and Sounds / 1 day

This day will be delivered in an interactive, multisensory manner with a good balance of theory, information and practical activities. All participants will receive a comprehensive phonics booklet to use back in school.

Participants will:

- Acquire the necessary phonics subject knowledge and skills to deliver high quality phonics lessons
- Understand the expected pace and progression for phonics teaching in Reception and KS1 classes to ensure children acquire the phonics skills to support successful reading and writing and how it applies to KS2
- Know how the Letters and Sounds programme, teaching sequence and activities support effective phonics learning

We will cover:

- Current national trends
- Phonics knowledge and skills that underpin teaching each of the phases in Letters and Sounds
- The recommended pace, progression and assessment of phonics teaching in Letters and Sounds phases 2-5

Mental Health

This course qualifies participants as an Adult Mental Health First Aider. Numbers are limited to 16 per course so that the instructors can keep people safe and supported as they learn.

NEW

Adult Mental Health First Aid training / 2 days

The 2 days are split into a series of manageable sessions and each session is built around the Mental Health First Aid action plan.

Learning takes place through a mix of presentations, group discussions and workshop activities.

The course provides:

- An in-depth understanding of mental health and the factors that can affect well-being
- Practical skills to spot triggers and signs of mental health issues
- Confidence to step in, reassure and support a person in distress
- Enhanced interpersonal skills such as non-judgemental listening
- Knowledge to help someone recover their health by guiding them to further support whether that's self-help resources, through their employer, the NHS, or a mix

At the end of the 2 days you will receive:

- Certificate of attendance to say you are a Mental Health First Aider
- Manual to refer to whenever you need it
- Quick reference card for the Mental Health First Aid action plan
- Workbook and a helpful toolkit to support your own mental health

“ Our experience is always positive. Courses are pitched well with up-to-date information using real life school experiences when relevant. When you invest in sending teachers out on courses you need to know what they receive is of good quality, especially in this current financial climate. With Grow's courses, this is guaranteed and the impact of their offering is strongly felt back at school.

SEND

This course is offered by the senior leadership team of Kentish Town CE Primary School (Camden).

A highly inclusive, outstanding school with 2 additional resource bases, their provision for SEND children was described as 'exceptional' by Ofsted in December 2017.

Understanding Autism in the mainstream classroom / 2 sessions

These sessions form part of a unit of learning to support SENCOs, class teachers and support staff who want to develop an understanding of the Autism spectrum and how best to support children and their families in any setting.

Attending as teams is actively encouraged.

Session 1

This practical and collaborative session will help attendees to understand the main areas of difference for children on the Autism spectrum.

It will provide ideas on how to successfully develop the learning environment and curriculum for all learners.

Session 2

Building on Session 1, practitioners will consider ways to include children with Autism in a mainstream classroom.

Another practical session providing top tips, resources and quick adaptations with the aim of helping attendees to include children and set them up for success in the mainstream classroom.

“*The course leader was fantastic, knowledgeable, current, enthusiastic and informative, sharing practical strategies for the classroom. Really helpful with lots of practical, realistic advice and resources. Great session - thanks!*”

Safeguarding / 1

This ever-popular course will support class teachers, Designated Safeguarding Leaders and computing leaders in their understanding of online safety.

CEOP online safety / 1 day

With ongoing concerns of the potential risks of the use of the internet and mobile technologies, schools are becoming increasingly aware of the need to monitor and evaluate systems to ensure pupil safety.

This course will enable your school to follow best practice and provide you with the knowledge needed to share your learning and CEOP resources with your staff.

Morning session

A certified CEOP (Child Exploitation and Online Protection) 'Thinkuknow' online safety course.

This focuses on the work of CEOP and covers the 'Thinkuknow' resources and how to deliver them to pupils.

Afternoon session

This session provides you with the opportunity to explore some of the sites and resources which pupils are accessing and contributing to.

We will look at recognising and dealing with online bullying, Risk vs Resilience, positive use of social media, staff use of the internet and what you should include in your school's online safety policies.

We will also explore online safety in the computing curriculum and how to develop your own progressive online safety curriculum.

“ A really practical and helpful course which addressed what I needed to know and told me a lot more too.

“ The session was very informative, with excellent coverage of issues, good website links and resources. Mary is excellent, passionate and well-informed.

I thought it was fabulous. Valuable opportunity to ‘unpick’ the new SIAMS schedule in greater detail and also made me think about ways we can improve Collective Worship in school. Very informative in terms of subject knowledge, and great ideas for activities and creative opportunities. I thoroughly enjoyed these sessions.

CE Schools / SIAMS

We are a subsidiary trading company of the London Diocesan Board for Schools (LDBS) and offer a range of courses to support aspects specific to CE schools. Led by the LDBS advisory team, the cost is £70 per session.

SIAMS self-evaluation: monitoring the impact of the school's Christian vision / ½ day

Is your school vision really embedded in the life of the school? Is it really having a positive impact on the lives of pupils and adults within your school community?

This course will provide the opportunity for up to 3 senior leadership or governing board members to consider how to develop rigorous and robust systems for reviewing the impact of the school's vision.

SIAMS self-evaluation: making a case for excellence / ½ day

This course provides senior leaders with the opportunity to consider how they might develop their case for excellence.

The session will include a contribution from a headteacher of a school which has recently been judged as excellent.

“ These courses encourage an open environment to ask questions, discuss and share ideas. Really helpful in allowing us to reflect where we are at the moment and what to do next.

Courageous advocacy: primary and secondary schools / ½ day

Courageous advocacy is an important aspect of the SIAMS schedule.

This course will support you to develop it effectively in your school, with the help of key external partners including Christian Aid's Global Neighbours initiative.

Religious Education

This extended programme covers a range of aspects of teaching and learning in RE and will support all those wanting to deepen their subject knowledge and skills in teaching this.

Teaching high quality RE in the primary school / 6 days

Day 1: What makes for high quality teaching and learning in RE

Focussing on enquiry-based learning and creating big theological questions to drive learning. It will cover what is meant by a balanced RE curriculum and the progression of skills in RE.

Day 2: Developing secure subject knowledge in Christianity

Covering the beliefs and practices of Christianity, the big story of the Bible through 8 core concepts and the meaning of Advent and Lent, Christmas, Easter and Pentecost. Also includes how to effectively teach Biblical text analysis across the primary age-range.

Day 3: Developing secure subject knowledge in Judaism & Islam

Day 4: Developing secure subject knowledge in Hinduism & Sikhism

Covering the main beliefs and practices of Judaism, Islam, Hinduism and Sikhism and explore the meaning behind the major festivals celebrated within these religions.

Day 5: Enriching the RE curriculum

Includes a visit to a place of worship: preparation, the visit itself, and follow up learning. Also covers the use of outside speakers to enhance learning - a member of a faith community will join us.

Day 6: Promoting religious literacy in the classroom

Understanding what being religiously literate means and how to teach religious vocabulary creatively through promoting effective talk in the classroom. Will also include the use of art and music as powerful mediums to develop religious literacy in the child.

The full programme is recommended for 1 attendee but you can opt to buy individual sessions. Days 2, 3 & 4 will cover sensitive issues related to each religion.

Collective Worship & Spirituality

Delivering high quality Collective Worship in the primary school / ½ day

Designed for clergy, senior leaders and teachers who wish to develop their understanding of the purpose and role Collective Worship plays in the life of Church schools. The course will address how to deliver engaging and innovative worship across the primary age range, focusing particularly on the following areas:

- How to ensure Collective Worship is an expression of the school's Christian vision
- Importance of effective partnership working between Church and school
- Planning effective Collective Worship across a week, term and year
- Developing the role of pupils in planning, leading and evaluating Collective Worship
- What high quality monitoring and evaluation of Collective Worship looks like

Developing children's spirituality in the primary classroom / ½ day

Suitable for senior leaders and teachers leading on spiritual development in their schools, we will explore a number of different ways of looking at and understanding spirituality.

We will share ideas on how to develop high quality provision, giving leaders the confidence and resources to try this in their own schools.

LDBS RE leaders network meetings

These free meetings run throughout the year and provide an opportunity for RE leaders to work with one another and share practice.

In addition to the support services and training courses outlined here, we can also assist with any specific training and development needs that you may have.

At Grow Education Partners we listen to your needs and try, wherever possible, to provide the support you require.

We can offer support from consultants and excellent practitioners across a wide range of school curriculum and leadership areas such as:

- Working with leaders to support their evaluation of the quality of teaching and learning
- External reviews to support school improvement priorities including early reading and phonics audits for EYFS and KS1, reading support and guided reading for KS1 and KS2 and writing moderation from practising lead moderators
- Mathematics support and reviews for secondary and primary phases
- EYFS support
- Science, Design Technology, Computing and Spanish - specialist leaders in education to work with you to establish high quality teaching and learning
- Mental health and well-being
- Safeguarding reviews and advice
- Whole school stakeholder audits - current strengths and next steps
- Developing your school vision
- Assisting schools in linking school leaders to work with and support one another
- HR support and investigations
- Financial audits
- Data Protection audits

We can also deliver bespoke training in schools or to clusters of schools and multi-academy trusts. Thank you for your support and we look forward to working in partnership with you again this year.

What I like about Grow is that you always have extremely high-calibre trainers who have experience in schools practising what they talk about. It's a highly respected and trusted service and I'm always recommending your services to colleagues.

“

The team at Grow are always ready to listen to our needs and they try hard (and succeed) in meeting them. They have really easy and flexible administration arrangements which is helpful when you're trying to work things out.
