

Safeguarding support for schools 2022-2023

At Grow we are very keen to help you to ensure that your safeguarding practice and training is up to date and of high quality. We have therefore extended our offer this year to support you in ensuring your safeguarding practice is secure. Please note the new Staff Spotlight Sessions which we have introduced following feedback from the many safeguarding reviews we carry out where staff have not always had the opportunity for regular 'drip feed' CPD on key aspects of safeguarding.
